## SPLASH & SCALES: OCEAN ADVENTURE

GRADES ENTERING K-8; 9:00AM TO 12:00PM

MONDAY TO THURSDAY AUGUST 4-7 & 11-14, 2025

\$169.99 PER WEEK @ LADDIE A. DECKER SCHOOL

Dive into the world of animals, beaches, and ocean life in Splash & Scales, an exciting one-week STEAM course where science, technology, engineering, art, and math come alive through ocean adventures! Each day, courseers will explore sea creatures, build sand habitats, design mini tide pools, and even create water-inspired art. From learning how fish breathe underwater to discovering the secrets of coral reefs, this workshop is packed with hands-on projects that bring the wonders of marine life and beach ecosystems to life. Join us for a week of science and creativity, where the ocean is your classroom! Registration & Refund Deadline July 15, 2025.
