# SUMMER AFTERNOON ENRICHMENT

SCOPE Enrichment is proudly offering an amazing afternoon summer enrichment program. Families can register weekly for our all inclusive enrichment program. Students will experience three courses each afternoon including 45 minutes of STEM lessons, 45 minutes of fine arts activities, and 45 minutes of physical activities and movement each day.

\* If students are continuing from morning enrichment, they must bring a bagged lunch. They will be supervised by SCOPE staff during lunch until 12:30 and then begin our amazing lessons and activities.

\*If your child would like to participate in the afternoon only, they can be dropped off at 12:30pm.

# KIDS Summer ART

## Seashells and Sunsets: Beach and Ocean Art Adventure Course

Get ready to dive into creativity with our *Sea & Beach Life Fine Arts Summer* program! This enrichment course is perfect for young artists who love the ocean and sandy shores, where each day brings new, exciting projects inspired by the wonders of the sea. You'll create colorful beach landscapes, paint beautiful ocean creatures, and even sculpt seashells, starfish, and other seaside treasures! With hands-on activities like sand art, sea glass mosaics, and driftwood designs, you'll be able to explore all the amazing things that make the beach magical. Join us for a summer of sea-inspired art adventures, and make waves with your imagination!

ART

# SEASIDE CULINARY ARTS

Join us for this summer enrichment program where young chefs get to experience the flavors of the sea—all without using an oven! In this hands-on, no-bake cooking course, students will make refreshing dishes inspired by tropical islands, like fruity salsas, coconut rice wraps, mango parfaits, and pineapple smoothies. Kids will learn mathematics skills as they cook and have fun! Each day, kids will learn new culinary skills as they create delicious, colorful treats using fresh ingredients and spices. Perfect for beginner chefs, Summer Seaside Cooking is a tasty, fun-filled adventure into island flavors and kitchen creativity! No nuts are used in this course but we cannot guarantee any cross contamination, products produced in facilities with nuts, or other specific allergy requests.

SCOPE ENRICHMENT

# SUMMER STEAM

## SPLASH & SCALES: OCEAN ADVENTURE

Dive into the world of animals, beaches, and ocean life in Splash & Scales, an exciting STEAM program where science, technology, engineering, art, and math come alive through ocean adventures! Each day, courseers will explore sea creatures, build sand habitats, design mini tide pools, and even create water-inspired art. From learning how fish breathe underwater to discovering the secrets of coral reefs, this workshop is packed with hands-on projects that bring the wonders of marine life and beach ecosystems to life. Join us for a summer of science and creativity, where the ocean is your classroom!
